Whispers of Memories

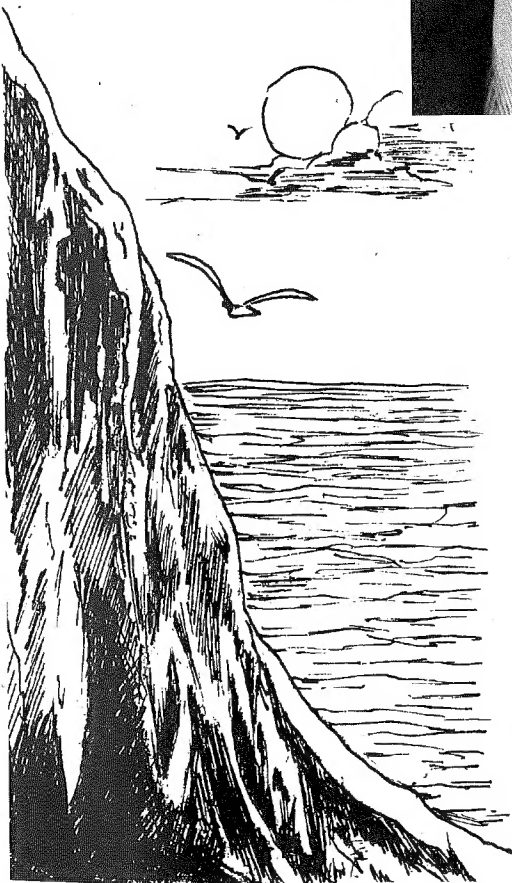

Whispers of memories dance in my mind,
Playing cruel tricks on my soul.
Pictures of people fleet by my eyes,
Fading as years make me old.
So many faces and so many hearts
Have I had the honor to know.
Like twinkles of starlight, they light my old heart,
With a warm, almost heaven-sent, glow.
I'll miss you my friends, you laughers, you lovers,
You dreamers, and fighters for truth.
I've a gift for your travels; it's precious and rare,
And it has an unlimited use.
I wrap it up gently with feeling and care,
And present it to you with a hug.
Open it slowly and you will realize
That this gift is my undying love.
Whispers of memories dance in my mind,
All of which I was a part.
As for you, my close, loving friends,
You'll always be in my heart.

DEDICATED TO JAMES SUITOR

THE CLASS OF 1991 DEDICATES
THIS YEARBOOK TO MR. JAMES
SUITOR AND WISHES HIM
HAPPINESS IN HIS RETIREMENT.

ADMINISTRATION

You have completed your high school experience which has taken you from the awkward stage of ninth grade to the mature adult that you now are. The Bulkeley Family has tried its best to prepare you for those life journeys which you will now undertake. We have nurtured and supported, coaxed and prodded, pushed and molded you. You have been provided with excellent role models and unique experiences. We have offered you a sound educational basis from which to build upon.

Now, it is up to you to design your adult life. I encourage you to always set goals for yourselves by setting high standards and believing in your potential and power. Most of all, remember that although you may feel isolated and alone in this world, you still have a responsibility to the people around you. Reach out, as you have so many times while at Bulkeley, to those who are hurt, to the hungry and the homeless, to the victims and aggressors. The world needs you and because of the difference that you will make, the world will be a better place for all of us.

Anna Salamone-Consoli
Principal

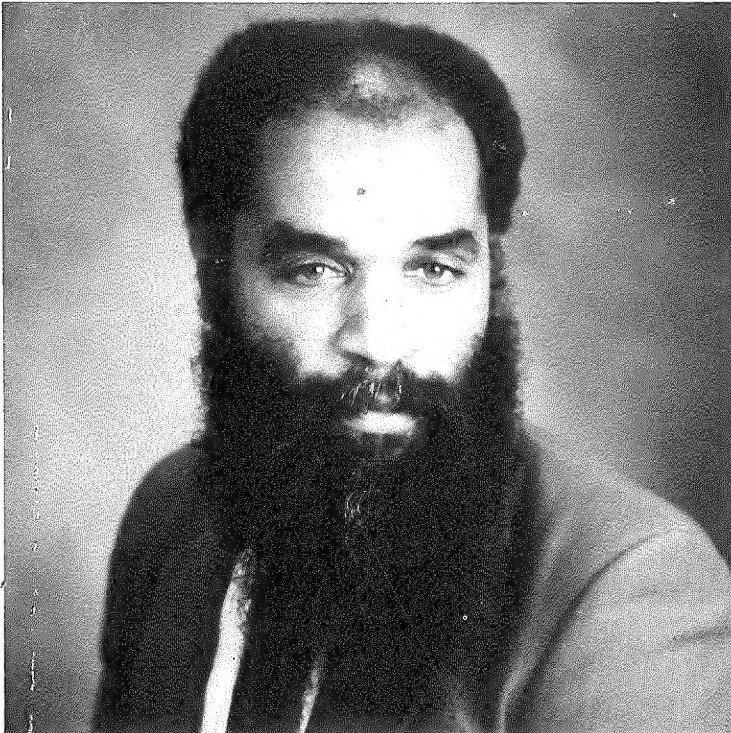

It has been a pleasure being associated with a group of students who pride themselves with being members of Bulkeley High School. You are individuals who care about what is going on in our school in particular, and the world in general.

All of you have the potential to make positive changes in this world. It is your task to go forth and do so and I am sure that the progress that the class of 1991 can make in this will be positive and long-lasting. It will be remembered for years to come.

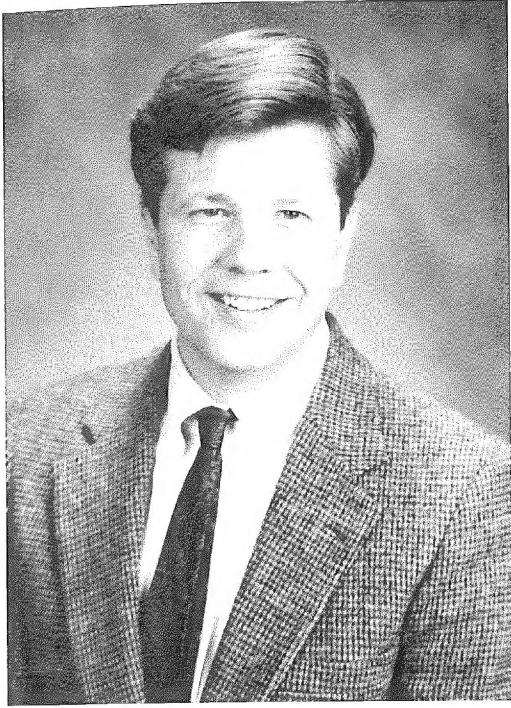

Good Luck and best wishes to each and every one of you in your future endeavors and don't forget that we are here if you need us.

YEARBOOK STAFF

IN MEMORY OF VERNON JOHNSON

FEBRUARY 22, 1946-MARCH 9, 1991

It is with fond memories that the Bulkeley family — students, faculty, and staff — dedicate this page to Mr. Johnson, Special Education/History teacher. He formerly was faculty advisor for the yearbook, senior class, and drill team. Each of us will miss his concern and dedication to the students of Bulkeley and his commitment to the highest ideals of the school. He strove for quality and perfection, which was demonstrated in his work, appearance, and everyday participation. We are all richer for his contributions to the school. May he forever, rest in peace!
